**PRIZE PLACEMENTS TEMPS CHRISTMAS PARTY  
FRIDAY 8 DECEMBER 2006**

---

Prize Placements Temps Christmas party took place on Friday 8th December in Edwards Wine Bar in Wimbledon. It is our opportunity to say thank you to our temps for all their efforts throughout 2006 and give them a chance to mingle with other temps and generally eat, drink and be merry!!

It was a fantastic night (we think, one of our best!!) and everyone had a great time and it was disappointing when the lights went up at midnight and it was time to head home.

Edwards Wine Bar did a fantastic job of organising the event for us and special thanks go to the Assistant Manager, Claire, who had everything set up and arranged brilliantly.

We would also like to praise Josh who made sure the ice buckets were constantly replenished and whose attentive and easy going nature throughout the whole night ensured everything ran really smoothly

(not to mention the constant arrival of the delicious platters!!!)

We would like to thank all who came along and added to the success of the night and we hope those headaches weren't too severe on Saturday...

The free raffle was as always lots of fun and many congratulations to the lucky winners:
